

Strategy

The Achmea Dutch Retail Property Fund aims for a core risk/return profile.

The characteristics of this are:

- Focus on generating a stable rental income
- High occupancy levels and long weighted average lease terms (WALT)
- Low volatility of the portfolio value

This is achieved by:

- A diversified portfolio of top highstreet locations and food-oriented convenience centres
- Active asset management through acquisitions, sales, leasing, development and repositioning
- Focus on sustainability in all our decisions
